JIM DELUNEY DIES

On Thursday, May 23, 1996, Jim Delune of Angus, Ont. passed away. For many years, Jim was one of the few people, in this area of the country, who made wooden nickels. In recent years, he had given up the business because of failing health. A more detailed and fitting tribute to Jim, and his contribution to this hobby will be published in a future "Timber Talk".

The recent May, 1996, *Waterloo Coin Society banquet* was very well attended with over seventy people present. Don Robb's wood, made for this banquet, was distributed at that time. Only sixty-seven of the woods were made and all were distributed. The wood is 1 3/4" in diameter with a black obverse and a black/blue reverse.

not have enough woods to go around.

John & Audrey Hnatiuk of Vancouver, B.C. issued a wood for the May 12, 1996 Mother's Day. The wood, shown here, has a white and blue obverse stuck onto the already catalogued 9800-46D wood. The "Good For In Trade \$1.00" side is black in colour. John has written to say that due to the low issue of each of his remaining woods, he will have to limit one of each wood to each member, when they order, otherwise he will

FREE WOOD OF THE MONTH

black

black

Again, this month, our free wood was given to me by member and past president, Pat White of Newmarket, Ont. The Wood is quite a large wood, 1 3/4" in diameter and 8 mm in thickness. It was issued in 1986 for the Durham, Ont. wood show, held annually in that town. According to the Norm Belsten listing (5272-002), there were some 5000 made. The wood is black in colour on both sides. Thanks for the donation, Pat.

DUES: Membership dues in the Canadian Association of Wooden Money Collectors is \$10.00 per calendar year and should be forwarded to our Membership Chairman - Ron Zelk at R.P.O. Box 77575, 592 Sheppard Ave. W., Downsview, Ont. Canada, M3H 6A7.

President's Message

Last month our very capable Timber Talk editor published a schedule for the upcoming C.N.A. convention in Montreal. This gives us plenty of time to formulate our plans for the occasion. At the last gathering in Montreal (1992) Yvonne and I had a great time. We found Montreal to be a most interesting city. I could not believe that one could purchase a bottle of wine at a wine store, carry it into a restaurant, and have the waiter open and pour it for you! This we found was the norm on what we refer to as the "street with all the restaurants". I think it was Prince Arthur Blvd. Anyway, come and have a ball.

As at most previous conventions, the C.A.W.M.C. breakfast/meeting/auction will be held on the Sunday. It is scheduled to begin at 8:00 a.m. and should be early enough to allow for departures of those who came from distant areas. I would like to ask members at this time to consider putting some woods in the auction, be it on a percentage basis or a straight donation. Also, if any member has an issue that he or she would like brought up at the meeting please let me know so that I may include it on the agenda.

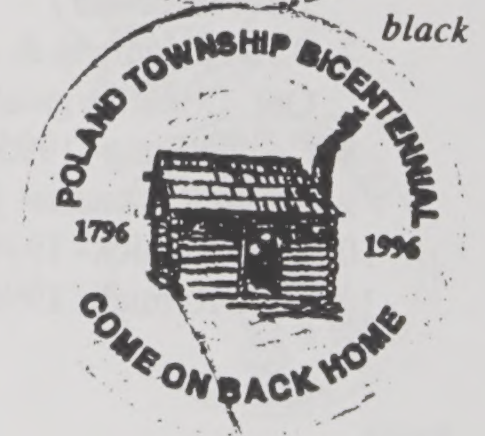

Hope to see you there!

WOODEN COIN ISSUED FOR POLAND, OHIO BICENTENNIAL

Mary Jan Perdulla, (daughter of Charles Manners) of Pioneer Trails Christmas Tree Farm in Poland, Ohio has donated 2000 wooden coins to the Poland bicentennial. The coins feature the "Come on Back Home" theme and a log cabin. Since 1990, Pioneer Trails has annually issued a coin to highlight a historical event. The Poland bicentennial committee will distribute the coins at upcoming events leading up to the feature week of July 15, 1996. On Sunday, July 21, Pioneer Trails will open their farm to the public with special events including wagon rides, tree digging, tree pruning and a real log cabin. Free tree seedlings will be distributed to the first 200 families visiting the farm. For more information on the wood contact Pioneer Trails Tree Farm 18 Perdulla Lane Poland, Ohio 44514.
